Email Marketing Specialist

Strategic Email Marketing Specialist with 3+ years shaping contemporary digital experiences through cohesive interface engineering, refined visual logic, and modern interaction craftsmanship. Highly skilled in guiding creative concepts into structured interactive foundations to elevate clarity, strengthen aesthetic continuity, and reinforce polished presentation across evolving design ecosystems. Recognized for resolving complex defects and stabilizing communication frameworks through precise, detail-driven execution that advances platform sophistication and user engagement.

CORE COMPETENCIES

Email Project Management, Audience Segmentation, Deliverability & Compliance, Data Analysis

TECHNICAL SKILLS

HTML, CSS, AMPscript, SQL, Salesforce Marketing Cloud, Adobe Dreamweaver, Microsoft 365

PROFESSIONAL EXPERIENCE

Communications Specialist (Email Marketer) | Marriott Vacations Worldwide | Jun. 2022- Mar. 2026

- Constructed modular email frameworks using HTML, CSS, and AMPscript, advancing precision-targeted member communications and elevating engagement metrics across core digital programs.
- Eliminated recurring HTML defects by establishing a structured version control repository for design assets, reducing QA bug frequency by 70% over 6 months, and amplifying creation of a new error-free email journey.
- Coordinated direct mail and email outreach cycles by refining audience selection by segmenting a 1M+ record database using SQL inside Automation Studio, enabling synchronized call center support.
- Aided in the comprehensive redevelopment of multiple email campaigns and journeys, reinforcing brand alignment and bolstering lifecycle communication performance in full rebranding cycles.
- Accelerated 2 inherited email campaign projects by instituting biweekly stakeholder alignment sessions, mitigating phase level bottlenecks, and delivering both initiatives one month ahead of projected deployment timelines.
- Orchestrated technical rebranding of foundational email campaigns, enforcing unified visual identity and stabilizing execution quality throughout all digital touchpoints.
- Evaluated ad hoc campaign performance for biweekly stakeholder reviews, translating analytical findings into refined messaging strategies strengthening channel effectiveness and future activation planning.
